ROCKINGHAM REMEMBERED TOUR

This beautiful walk brings you through the original servant tunnels of the 19th Century Rockingham House to the top of the Moylurg viewing tower and the unique Tree Canopy Trail.

This guided tour gives an insight into how life worked when Rockingham House was a functional family home. It also gives a brief history of the estate and its owners. Enjoy being up close to beautiful trees whilst on the canopy and learn about the flora and fauna which inhabit the parkland.

BODA BORG: EXPERIENCE THE QUEST

Ireland's only Boda Borg!

BOOKING RECOMMENDED

This activity requires a minimum of **three participants** and a **maximum of five per team**. Totally weather independent and suitable for adults and children from 7yrs up. It contains 15 Quests which has up to 47 challenges both mental and physical and **no instructions!** only teamwork using countless different skills, ingenuity, trial and error will allow you to survive the Quests....

Once you enter a Quest, you don't know what to do, or how much time you have, or how many challenges that Quest may have before you can conquer it. What you do know is that you must figure it out as a team.

Orienteering

Orienteering is an ideal way to explore the great outdoors and get in touch with nature. Groups work together using detailed maps and navigate through trails and visit control points in sequence. It's a really great way to teach outdoor skills to all and you can sharpen your competitive streak when you get good at it too!

Also a now added "Wheel-O" wheelchair orienteering course for adventure seekers with limited mobility. Our wheel-o orienteering course has been designed so that users of all abilities can use it.

Adventure Play Kingdom

The Adventure Play Kingdom is suitable for children up to **12yrs of age**. This outdoor Play Kingdom provides stimulating and entertaining activities and equipment for children of all ages and abilities in a colourful and safe environment.
